Wednesday 16<sup>th</sup> June 2021

Mills Park Complex

86 Brixton Street

Beckenham WA 6107

8:00am - 3:00pm

*EDUCATIONAL  
INSTRUCTIONAL  
PRACTICAL*

*Brochure & Delegate Registration Form*

*Proudly presented by the STA(WA) & TGA WA*

# SEMINAR OVERVIEW

The Sports Turf Association (WA) and the Turf Growers Association of Western Australia are proud to present the **WA Turf Seminar 2021**

Progressing with the success from previous events, this year's seminar has been especially planned to bring the delegates outdoors during much of the day for some diverse practical instruction and demonstration.

An array of Trade Expo marquees will also be set up outside representing various turf industry equipment and product suppliers and distributors ready to display their wares and services.

On the larger lawn arena, we will be leading groups of delegates through various educational and instructional Sports Turf Machinery and Renovation sessions. Each presenting company, with guidance by WA Turf Seminar volunteers will have time to demonstrate to the groups the How, What and Why of the equipment, machinery, products and renovation procedure on display.

Why choose this specific type of machine? What is the purpose of outfitting the equipment in that configuration? How to achieve differing outcomes from differing machinery or configurations?

Don't miss such an ideal opportunity for direct and uncrowded interaction between delegate and presenter.

Informed choices are better choices! An educated turf industry is a resilient and progressive industry.

## SEMINAR WORKSHOP:

### HOW TO MANAGE NEW SAND PROFILES

presenter - Mr Peter Ruscoe, Sports Turf Technology

Turf managers can find new sand profiles very challenging because the maintenance requirements are far more intensive than on mature turf root zones. This workshop will identify the key issues associated with maintaining turf on free-draining sand and provide strategies to achieve the best possible outcome.

The topics will include the use of soil amendments, irrigation practices, turf nutrition and implementing a turf management plan. Peter Ruscoe is an independent turf consultant with over 20 years experience in the WA turf industry and will share the knowledge gained from his involvement in turf construction projects in Perth and the south-west regions.

I look forward to seeing you there.

Tony Guy,  
President, Sports Turf Association (WA)

### Trade Exhibitors

# WA TURF SEMINAR 2021 PROGRAM

	TITLE	SPEAKER
08:00	WELCOME AND SEMINAR INTRODUCTION	Mr DARREN KIRKWOOD CHAIRPERSON, TURF GROWERS ASSOCIATION WA
